

# MAKE YOUR VOICE HEARD:

## What disciplinary measures should be taken in cases of police misconduct in Albany?

The Albany Community Police Review Board invites you to participate in the next phase of developing a Discipline Matrix in collaboration with the Albany Police Department.

Our goal is to develop clear and consistent expectations of penalties and sanctions based on the gravity of substantiated police misconduct after an investigation.

As a result, police officers and community members will have a clear understanding of the consequences of misconduct and trust in the accountability and oversight structures that Albany has in place.

Members of the public are invited to participate in upcoming public meetings at Albany Law School:

**March 8 at 6:15 p.m.**  
East Wing Classroom (E211)

**March 22 at 6:15 p.m.**  
Matthew Bender Classroom (R425)

**April 5 at 6:15 p.m.**  
West Wing Classroom (W212)

The meetings will be livestreamed on Facebook at:
